To: Board of Directors

From: Johanna Barkley, Director of Finance

Date: October 9, 2024

Subject: For Review: Proposed 2025 Levies

RECOMMENDATION:

The Board of Directors receive the proposed 2025 general levy, at approximately \$4,636,678, and the proposed capital levy of approximately \$200,000, for review and comment; and

FURTHER THAT: The Board of Directors receive the following proposed 2025 City of Ottawa special levies for review and comment:

1. Ottawa Rural Clean Water Program: \$200,000

2. Ottawa Tree Replacement Program: \$200,000

3. Eastern Ontario Water Resource Program: \$50,000

4. Ottawa Baseline Monitoring Program: \$47,000

BACKGROUND:

Under sections 25 and 27 of the Conservation Authorities Act.

- The Board determines if a project benefits one, several or all municipalities. The Board decides on a percentage to charge each municipality for special projects. This is appealable to the Ontario Land Tribunal.
- The Board may establish a minimum levy.

South Nation Conservation's (SNC) general levy is based on the Modified Current Value Assessment (MCVA) provided by the Ministry of the Natural Resources (MNR).

SNC growth in assessment from 2024 to 2025 is 2.0%.

Staff will draft the 2025 Budget based on the proposed 2025 levies, unless otherwise directed by the Board.

Notice of levies will be sent to member municipalities following approval of the draft 2025 Budget. The notice, and a copy of the draft 2025 Budget, will be provided a minimum of 30 days prior to the meeting for the vote to approve the 2025 levies and Budget.

DISCUSSION:

2025 Levy

The proposed General Levy is based on 1.5% increase in growth, plus 2.9% cost of living adjustment (COLA).

The proposed 2025 SNC Levy Schedule is attached.

The draft Levy growth and COLA amounts are equivalent to the City of Ottawa budget direction, being SNC's largest contributing member municipality.

Using the assessment values provided by MNR for the prior year (2024), the proposed SNC General Levy and Capital Levy for 2025 is estimated at \$6.26 per \$100,000 in assessment, up from \$5.93 in 2024.

Year	General Levy		Capital Levy		Total Levy	
2025	\$	6.00	\$	0.26	\$	6.26
2024	\$	5.86	\$	0.07	\$	5.93

2025 City of Ottawa Special Levies

SNC delivers several programs within the City of Ottawa at the City's request, funded 100% by the City through annual special levies.

The Ottawa Rural Clean Water Program (ORCWP) special levy remains unchanged from 2024 at \$200,000. The ORCWP term is 2021-2025. SNC collects this levy on behalf of the three Conservation Authorities in Ottawa.

The Ottawa Tree Replacement Program (OTRP) special levy remains unchanged from 2024 at \$200,000. The OTRP assists Ottawa residents with removal and replacement of trees lost due to invasive species and extreme weather events.

The Eastern Ontario Water Resources Program (EOWRP) supports projects that protect water resource within Eastern Ontario. The special levy remains unchanged from 2024 at \$50,000.

The Ottawa Baseline Monitoring Program 2025 special levy is at \$47,000 up from \$46,000 in 2024. This program supports water quality monitoring for the City of Ottawa.

Johanna Barkley, Director of Finance

To: Board of Directors

From: Johanna Barkley, Director of Finance

Date: October 15, 2024

Subject: Update: Estimated Statement of Operations for September 30th, 2024

RECOMMENDATION:

The Board of Directors receive and file the Estimated Statement of Operations for the year ending December 31st, 2024, as of September 30th, 2024, update.

DISCUSSION:

The Net Overall amount represents total expenditures, operating, capital, and project, minus total revenue. The operational budget is the day-to-day expenses the Authority requires for normal activities. Expenses for projects are normally for a fixed term period. Capital expenditures are as per SNC's *Tangible Capital Assets Policy* revised in August 2021. "Tangible" capital assets are goods that have a life expectancy of more than one (1) year, and costs normally over \$5,000, with some exceptions. This Policy can be reviewed at any time, if necessary.

Currently, Senior Management, Team, and Project Leads are estimating a deficit of \$55,000. Included in the forecast is a transfer from reserves of \$373,500 equivalent to the unfunded share of the revitalization of the original portion of the Leitrim boardwalk. A full review of 2024 revenues and expenditures will continue through to the end of 2024.

The final 2024 reserve transfer will be presented to the Board along with the audited financial statements at the March 2025 board meeting.

FINANCIAL IMPLICATIONS/ADHERENCE TO SNC POLICY:

Compliance with Budget

The 2024 budget represents the Board of Directors approved Budget of January 18th, 2024.

SNC Policy Adherence:

SNC approved Policies are adhered to.

Johanna Barkley,

Director of Finance.
